Mr. Garrett Ripa  
Immigration and Customs Enforcement  
@garrett.j.ripa@dhs.gov

Mr. Garrett Ripa,

The Citrus County jail is operated by the County through a contract with CoreCivic. The County is aware of SB 168 that creates a new chapter of Florida Statutes entitled "Federal Immigration Enforcement". This bill seeks to ensure that State and local entities and law enforcement agencies cooperate with federal government office to enforce, not obstruct immigration laws.

The County will continue to enforce State and local laws regarding immigration including SB 168, however, since the agreement requires review by the County Attorney and approval by the Board of County Commissioners the earliest that can be considered is at the board meeting on July 23, 2019.

Please rest assured the County will continue to cooperate with Immigration and Customs Enforcement and comply with SB 168.

If you have any questions or I can be of any assistance, please feel free to contact me.

Sincerely,

Charles R. "Randy" Oliver  
County Administrator

Sheriffs,

Please see the attached updated BOA for sheriffs who have not yet submitted their BOA to ICE.

If you have previously submitted your BOA you do not need to resubmit it.

The only difference with the attached BOA is that it includes a line on page 2 for ICE to sign. The sheriff will sign the first line on the left hand side and then list his name, title and county.

**Subject:** FSA Legislative Update: Gov. Signs SB 168 (Immigration Enforcement)

**Importance:** High

Sheriffs,

On Friday, Governor DeSantis signed SB 168. The bill creates a new chapter of Florida Statutes entitled "Federal Immigration Enforcement" and seeks to ensure that state and local entities and law enforcement agencies cooperate with federal government officials to enforce, and not obstruct, immigration laws. The effective date is July 1.

Please review the attached FSA legal alert and the below summary on SB 168.

Any sheriff who operates the county jail will need at a minimum an Intergovernmental Service Agreement (IGSA) or a Basic Ordering Agreement (BOA).

The BOA is attached and can be signed and emailed to Garrett Ripa at ICE ([garrett.j.ripa@ice.dhs.gov](mailto:garrett.j.ripa@ice.dhs.gov)). Once the BOA is sent it usually takes about 24-48 hours to finalize.

If you have any questions or concerns please call me or Wayne Evans any time. Thank you.

**Issue:**           **Federal Immigration Enforcement**

**Outcome:**       **Passed. Chapter No. 2019-**

**Effective:**       **July 1, 2019**

**(HB 527 Rep. Byrd and SB 168 Sen. Gruters)**

The bill creates a new chapter of Florida Statutes entitled "Federal Immigration Enforcement" and seeks to ensure that state and local entities and law enforcement agencies cooperate with federal government officials to enforce, and not obstruct, immigration laws. The bill prohibits sanctuary jurisdictions and requires state and local entities to comply with federal immigration detainers when they are supported by proper documentation. Specifically, the bill:

- Prohibits a state entity, law enforcement agency, or local governmental entity, from having a sanctuary policy.
- Requires a covered government body to use its best efforts to support the enforcement of federal immigration law.

- Prohibits a state entity, local governmental entity, or law enforcement agency from restricting a law enforcement agency's ability to communicate or exchange information with a federal immigration agency on immigration enforcement matters.
- Requires a law enforcement agency that has custody of someone who is subject to an immigration detainer to notify the judge of the detainer, record in the person's file the existence of the detainer and comply with the detainer.
- Requires a county correctional facility to enter into an agreement with a federal immigration agency for the payment of costs associated with housing and detaining defendants.
  - A compliant agreement may include any contract between a correctional facility and a federal immigration agency for housing or detaining persons subject to immigration detainers. This could include:
    - Intergovernmental Service Agreement (IGSA) or
    - Basic Ordering Agreement (BOA)
- An additional agreement that a county correctional facility could enter into to improve coordination with ICE, but does not pertain to payment of costs associated with housing and detaining defendants include:
  - Warrant Service Officer Program
  - 287g
- Those identified as sanctuary policymakers are subject to actions by the Governor which include suspension or removal from office as authorized by state law and the State Constitution. Public funds may not be used to defend or reimburse a sanctuary policymaker who knowingly and willfully violates the law.

**Impact to Sheriffs:** Sheriffs who operate a jail must enter into an agreement with ICE for housing or detaining persons subject to immigration detainers by July 1, 2019. A compliant agreement may include, an IGSA or a BOA, but may also include other similar agreements authorized by federal law. Failure to do so can cause a sheriff to be removed from office by the Governor. Additionally, sheriffs who operate jails may enter into a WSO or 287g in addition to any of the above-mentioned housing or detaining agreements but will not on their own satisfy the requirements under this bill.
